## Events

### **Wine Classes** **Real Wine Dinner**

Thursday 21st June. 8 pm for an 8:30 pm sit down.

Over a deliciously rustic three course meal, Ollie and Thor will take you through a selection of wines showing the various guises of Real Wines, from the most extreme 'hippy' wines with a very interesting identity to the more polished styles. With delicious food pairings, wonderfully quirky wines and a bit of entertainment thrown in (there's plenty of controversy around the subject), you're sure to enjoy a fabulous evening. £55

### **Wine Class**
